Subject: Section 508 Federal Acquisition Regulations for ConduSiv Technologies Corporation's V-locity® 3.0 products.

To Whom It May Concern:

ConduSiv Technologies is pleased to announce that its products: V-locity 3.0 Host and V-locity 3.0 Client, are compliant with the Section 508 rules as laid out in § 1194.21 Software applications and operating systems.

The V-locity 3.0 Host/Guest Agents will install on any supported operating system (Windows 2000 & up). The Host can be installed on a direct-attached workstation/server or on a virtual machine—and either way is capable of performing all of the Host functions (ESX/ESXi, Hyper-V) relative to the V-locity 3 Guest Agents running on virtual machines.
